Separate orders will NOT be recognized for the max family payment.

REFUND POLICY

The registration fee is considered a donation toward the operation of Sprague LL. However, the following is the official league policy regarding refunds of registration fees if someone needs to cancel for unexpected reasons before the season begins.

Refunds will be processed as follows:

- A refund will not be provided to a player opting to withdraw from the league for the child simply not being drafted into the division for which they tried out.
- In the event of cancellation prior to the beginning of the regular playing season and before uniforms are ordered, Sprague LL will refund 50% of the registration fee only.
- Once uniforms have been ordered there are no refunds.
- To receive a refund, the parent/guardian of the player must submit a formal request via [email](#) to the League requesting a refund and stating the reason why the player is resigning from the League. No refund will be processed without a formal email request.
- Refunds will be made via check and mailed to the registered parent/guardian.

CREDIT CARD FEES

Not to be confused with the \$3.00 service fee charged by Sports Connect:

In December 2023, Sprague LL began adding a credit card fee during the checkout/payment process. The amount can/will change from year to year as fees charged by the payment processor increase/decrease over time. For the 2024-2025 Fiscal Year this fee will be **\$4.25 per order**.
